

PUBLIC HEARING NOTICE

The local unit of government of Washington County is considering applying to the Oklahoma Department of Commerce's Community Development Block Grant Program (CDBG) REAP for funding assistance. The State of Oklahoma has funds available to units of local government to undertake viable activities that primarily benefit persons defined as low and moderate income.

This project has been identified as a community priority need and a tentative decision has been made to seek funding from the Oklahoma Department of Commerce for **\$50,000 in CDBG funding** to perform Washington County Adult Center ADA Remodeling. Washington County on behalf of Washington County Adult Center through Grand Gateway Economic Development Association REAP program will provide a match of \$50,000.00 in REAP funding, with a total construction project cost of \$100,000.00.

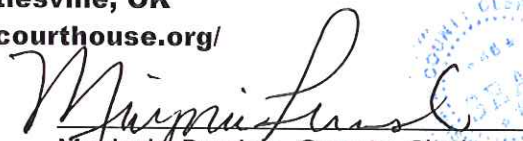

According to the Oklahoma Department of Commerce's income guidelines the project will benefit at least 51% low and moderate-income residents or Special Population(s).

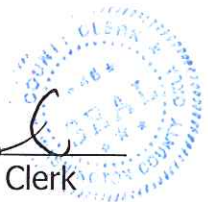

The purpose of this public hearing is to enable comments of the specific project activities that are proposed and to provide a clear explanation of probable impacts on the community/county and residents should the project be funded.

Many specific details regarding eligible activities and program requirements will be provided at a public hearing which will be held at the Washington County Board of Commissioners Meeting Room, 400 S. Johnstone, Suite 201, Bartlesville, Washington County, Oklahoma on Monday, February 10, 2014, 9:30 a.m.
